I am retiring my Apple Motif Kitchen décor and dishware and would love for someone else to enjoy my whole collection. I have a set of dishes - 12 dinner plates, 11 bread and butter, 15 bowls, 6 cups, three glasses, 2 large platters, a serving bowl and salt & pepper set - two framed prints, a cork board set, wall clock, wall hook, grocery bag sack, and pie caddy. Would like to sell the set as a whole.
